

**I AM NOT AFRAID (I'm a Believer)**

*(Eric Michael Cap)*

*(Verse)*

I can still remember the day I said  
"Jesus is Lord...I believe He rose from the dead"  
I know it isn't easy to follow in His steps  
To deny myself comforts, desires of the flesh

*(Bridge)*

But now a time of testing like no other has begun  
I must face my fears & demons, must battle the Evil One  
*I will not run [spoken]*

*(Chorus)*

I Am not afraid to fight  
I Am not afraid of war  
I Am not afraid to say that I'm a Believer  
I have Jesus on my side  
I'll carry my cross with joy & pride  
I am not afraid to stand against The Deceiver  
I am not afraid to try  
I am not afraid to die  
I am not afraid to dream 'cause  
I'm a Believer *(repeat 3 times)*

*(Verse 2)*

I'm not ashamed to declare God's amazing saving grace  
Though mocked & persecuted, Jesus' cross I will embrace  
I must speak the truth to those duped by men who falsely claim  
To be sent from God, lovers of money, power & fame

*(Bridge)*

It's a dangerous unsafe world, with haters everywhere  
No, I won't bow down to "Ceaser", No, I won't despair  
*I swear [spoken]*

*Chorus & repeat "I'm a Believer" (x4)*
