

NOW AND FOREVERMORE
(Eric Michael Cap / Willie Lowe)

Verse

I can't imagine living one day without you
I'd rather lay down & die 'cause I'm crazy about you
And I can give you a million reasons why for all the above
And as long as I'm living I will be giving you all of my love

Chorus

NOW AND FOREVERMORE
NOW AND FOREVERMORE
Lord you're the reason
I'm alive and breathing
Yes you are
NOW AND FOREVERMORE
NOW AND FOREVERMORE
There's nothing I'd rather do
Than spend my whole life with you
Yes, you yeah..

Verse

Through all the bad times & sad times Lord you've been there for me
Season after season for any reason I can still call on you
My Rock, my Salvation, The King of all Nations - Lord of Lords
I'll worship and praise you, I won't forsake you
Cause your love knows no bounds

Repeat Chorus

Bridge

Lord I can promise you
I won't give up like some do
My love for you won't be denied
I'll always be right by your side

Repeat Chorus & Vamp out
