

The Victory Song
(Eric Michael Cap)

(Verse 1)

Life is a journey sometimes we don't know to where
It can be hard and tough, it can be unfair
But if you persevere through faith & prayer
You'll be rewarded because you know He cares
He's showed he cares

(Chorus)

NaNa NaNa, Na Na, NaNa NaNa
Sing The Victory Song
NaNa NaNa, Na Na, NaNa NaNa
All the tears & pain are gone
NaNa NaNa, Na Na, NaNa NaNa
Now it won't be long
We'll be (all) together
We'll be where we belong
So come along...

(Verse 2)

You can overcome but you must be strong
You can escape the world, run from Babylon
This is not a sprint it's a marathon (but)
The finish line is near
I can see Jerusalem
So come along (c'mon)

(Chorus)

(Bridge)

Fix your eyes on the prize & use your sword
Look up to the sky and move towards
The goal of your Salvation, Heaven abroad
To hear our Savior say;
"Well done...now here's your reward"

Music Interlude
