

He Is The Way

(Chorus)

He is The Way *(The Way)*
He is The Truth *(The Truth)*
He is The Light *(The Light)*
That shines on me *(Shine on me Lord)*
Wherever I go *(Wherever I go)*
Whatever I do *(Whatever I do)*
He is The Way *(The Way..)*
The Way to You *(..to You)*

(Verse 1)

Your sovereign will for me
(Is) To live in your beauty
Through the eyes of a little child
Keep my heart soft all the time
Don't take my life away
Please Save Me Lord I pray
Forgiveness come my way
Make this a happy, happy day

(Chorus)

(Verse 2)

You commanded change in me
Your pure love assured me
You made war with death and won
Conquered sin through your Son
Spoke light into my world
I sold it all to buy that pearl
Your words cut through all my pain
And now I'll never be the same

(Chorus)

(Instrumental & Chorus x 2...Fade out)
