

I'll Rise Again

(Key C)

(Verse 1)

Tears of sorrow drown me
Faith has escaped me
Sadness engulfs me
My God Am I forsaken?
Your enemies mock me
Haters surround me
All my friends abandoned me
I'm Crucified on a tree

(Chorus x 2)

In Your Name
Through The Blood
By Your Power
I'll Rise Again

(Verse 2)

War & Peace within my soul
Wrestling with shadows
Of darkness and despair
So much evil everywhere
Is it worth the pain & price
To try and change
This God forsaken place
To save the human race

(Chorus x 2)

(Bridge x 2)

Lord lift me up
Raise me from the dead
Don't give me up
I want to do your will again

(Chorus x 4)
