

Just Call on Him
(Key A)

(Verse 1)

The desire of The King
Is to save those who call on Him
The love in his heart can bring
Real Happiness - within
Time to trade your old life in
Give up any and everything
Don't love this world or it's things
Jesus forgives all your sins

(Chorus)

Just Call on Him - Just Call on Him (x 2)

(Verse 2)

Good & bad times come & go
Joy & pain, sun, rain and snow
Wherever the wind blows
He is there for you & He knows
How you feel 'cause he's felt it to
Every emotion deep within you
No one loves as much, no one longs for your touch
He's so loving, so faithful & true

(Chorus)

(Bridge)

Saviour - Saviour - Saviour - Save Me

(Chorus x 2 w/Bridge)
