

Barbara Sharp

WHO AM I?

I was born in Ohio and moved to Burbank 12 years ago. My father served in the U.S. Army and worked for GM, and my mom was a nurse. Prior to moving here, I practiced law as an Attorney in Ohio, where I also owned a Small Business and worked at an Electric Generating Plant. In California, I have worked as a Legal Consultant, and in the Entertainment Industry, having produced Fea-

ture Films and Documentaries. I'm also a SAG member. I hold a Bachelor of Science Degree (*Political Science*) and Juris Doctorate (*Law*). I'm a hard working, tax paying Burbank home owner (just like you) who would like to give back to the community that has given so much to me. I'm a creative thinker & problem-solver with a "we can" attitude and burning desire to see Burbank prosper.

WHAT I LOVE ABOUT BURBANK

I love Burbank! I love our small-town feel, outstanding city services (*Police, Fire, Park & Recreation*),

(above) Barbara & Sammi

and the unique character of our neighborhoods (*Rancho, Hillside, Media*). I love riding horses in the Rancho, walking my dog Sammi (*BASV adopted*) on the Chandler Bikeway, dining out in our smoke-free Downtown Village area, shopping the lovely boutiques in Magnolia Park, hiking in our hills, and all our wonderful City events like the Art's Festival, Starlight Bowl & Burbank on Parade. Most impor-

tantly I love the people and the way this community cares for and supports those in need through NFP's like BTAC who provide food for the hungry. I want to **preserve** all that is wonderful about Burbank and stop the Los-Angelization of our town by those who seek to destroy the very things that make us the charming tight-knit community we are.

WHY VOTE FOR ME?

A vote for me is a vote for positive **change**. People are tired of the same old political rhetoric from out of touch elected officials. I bring a fresh perspective and new ideas that I believe will make Burbank an even better place to live, work & play. I love this town and I want to be your voice on the City Council, representing your best interests. I vow to serve you with integrity, to maintain an open-door policy, to ask the tough questions, and to hold City officials and staff accountable, but I need your VOTE.

My only endorsements come from the people of Burbank! I welcome any support you can offer, whether time, talent or money in order to get the word out. I can't do this without your support, so please call or visit my website for details on how you can help.
