

LOOK WHAT YOUR LOVE HAS DONE TO ME

(Eric Michael Cap / Willie Lowe)

Verse

Once the moon was just a light in the sky
Once the stars were just pieces passing by
But Now I see how the moon casts its light
And now the stars glisten like diamonds in the night

Chorus

LOOK WHAT YOUR LOVE HAS DONE TO ME
Lord I hear poetry in everything I see
I feel so many things I've never felt before
Your love grows stronger as I get to know you more
LOOK WHAT YOUR LOVE HAS DONE TO ME
Given me hope for myself and my family
I feel your hand in mine & all my sadness' gone
LOOK WHAT YOUR LOVE HAS DONE
TO ME

Verse

Once each breath was an aching emptiness
And Once my heart was filled with so much loneliness
But Now I'm thankful for every breath that I take
And Now you guide every decision that I make

Repeat Chorus

Bridge

There was a time when I was so lost
And I just couldn't seem to find my way (oh no)
But then came the day when I sought you Lord (I sought you Lord)
And here with you is where my heart will stay forever more

Repeat Chorus & Vamp out
