

I CAN'T GET ENOUGH OF LOVING YOU

(Eric Michael Cap - Willie Lowe)

Verse

Words can't describe all the joy you've given me
So many things you've helped my heart to see
And every time I feel I've lost my way
All I have to do is call on you
You know just what to say

Chorus

I CAN'T GET ENOUGH OF LOVING YOU
I CAN'T GET ENOUGH OF LOVING YOU
YOU COME FIRST IN ALL THAT I DO
I CAN'T GET ENOUGH OF LOVING YOU

Verse

You've shown me love
You've shown me grace
With you beside me there's nothing I can't face
Your love guides me to this special place
No there's nothing I wouldn't do for you cause I

Repeat Chorus

Bridge

I will serve you with all of my might
Living by faith not by sight
I will sacrifice all of my time
Give up every single dime
Do anything to please you
Cause you make me shine

Repeat Chorus

You give me love I believe in *(repeat)*
You give me love I believe, I believe,
I believe in you

I CAN'T GET ENOUGH OF LOVING YOU
(repeat & fade)
